About The Author

Meet Teelie Turner. She is pleased to welcome you and thank you for being part of her life. Teelie is an author, artist, business mentor/coach, and designer. She divides her time between living in the human world and Fairy Land where so much magic in her world happens.

Surrounded by a team who helps her to accomplish her professional dreams, Teelie was able to found several amazing brands which include Teelie Turner, The Teelie Blog, Teelie Turner Author, Teelie's Fairy Garden, Gigi the Chic Magical Fairy, Tommy Tinker, and Gentleman Pirate Club. It is safe to say that she has had numerous business ventures—primarily in the realms of publishing, merchandising, electronic commerce, and the fairy garden industry.

Teelie decided that it was time for an updated look. She wanted to show you whom she sees herself as someone who is both goal-oriented and focused on the magic and fantasy of life. That is why she asked one of the graphic designers about her dream to create this new author image for her.

When she's not career-focused, Teelie absolutely loves gardening in both miniature and real sizes, interior decorating, playing tennis, boating, discovering new places, cooking, and involving herself in the community via philanthropy. She's also an animal lover and this detail is prevalent in her adventures in Fairy Land. Teelie and her husband are building their dream home in Tennessee on a beautiful lake where there will be lazy days on the water. Teelie will continue to write and paint in her new studio filled with all her magical fairies and flowers. She will be sharing photos of the new Magical Fairy Land that she is creating!

Fairy hugs and blessings!
